To: Envirothon Coaches
FROM: Elmer D. Weibley, District Manager
Ginger Noble, MDA Agricultural Resource Conservation Specialist

DATE: January 22, 2020

SUBJECT: 2020 Envirothon

The 2020 Washington County Envirothon will be held on Friday, April 17, 2020, at the Washington County Board of Education CTS on Downsville Pike, Hagerstown, MD. Please complete the attached registration form and return it to our office by 4:30pm, Wednesday, March 11, 2020. Registration will again be \$25.00 per team. Please submit the registration forms by the deadline, even if your school has not cut the check for registration. I need the t-shirt sizes to get the t-shirts ordered in time for the competition.

Please have your students sign the team member sign-up form along with their parents, after all you may win and you will want your best team available for the state competition. Each team should include 5 members and an alternate.

This year the competition will be held on a regular school day. This may help with recruiting team members. The WCSCD will be paying for one substitute per school/organization, so please talk with Mr. Cody Pine about how the billing will be handled for that. You can, of course, bill the WCSCD directly if that is what your school wants to do.

The resources for all 5 areas are available on-line at <http://mdenvirothon.org/>. The fifth issue this year is: **Water Resource Management: Local Control and Local Solutions.**

We will again be providing lunch for your teams at the event. The competition will begin at 9:30 am and end at 1:30 pm. I suggest if you or your students are not riding buses that you plan on arriving at 9:00 am in order to get organized and ready to start on time.
