

Washington County Soil Conservation District

COVID-19, Coronavirus

Office Update (March 23, 2020)

Effective immediately, our office will be staffed, Monday, Wednesday, and Friday, 9:00 a.m. - 3:00 p.m. There will be 1-2 staff members available each day. Staff will otherwise telework and may be contacted via email as listed below:

Elmer@conservationplace.com

Dee@conservationplace.com

Lori@conservationplace.com

Mark@conservationplace.com

Kristinam.Stair@maryland.gov

You may also contact the District Manager, Elmer Weibley by phone at 301-988-6647 if email is not available to you when the office is closed.

Maryland Department of Agriculture staff are on mandatory telework. To contact them, please call the office with a message to be forwarded and/or certainly contact them directly via email. Contact information below:

Chris.Burch@maryland.gov

Jay.Duell@maryland.gov

Ginger.Noble@maryland.gov

Please note, we are currently working with the Maryland Department of Agriculture on a process for the Cover Crop Program, Spring Certification. We will also be providing a phone number for folks to contact Ginger Noble directly for associated reporting, i.e. kill-down methods, etc.

Urban Services

1. All pre-construction meetings will be held via conference call. To schedule, contact Dee/Mark/Elmer via email. Following, an Outlook or e-mail invite will be sent to the person(s) who contacted our office and the County/City as applicable. All other contacts will be the responsibility of the person(s) making the request. Conference call information will be included in the Outlook or e-mail invite. Individuals participating in the call, should have the approved set of plans, as well as, any proposed/requested revisions available to reference during the meeting.
2. Please call or e-mail Elmer Weibley or Dee Price to schedule an appointment for plan approvals (signatures). Questions and/or discussions regarding plan review comments, etc. will be handled via email and/or telephone call(s) only.

We will continue to make every effort to achieve continuity of our work during this challenging time. Please join us in following the guidance of our National, State, and Local leadership as everyone works together to help stop the spread of COVID-19 in our community.
