**To:** Envirothon Coaches

**FROM:** Dee Price, CESSWI, CSI, District Manager  
Ginger Noble, MDA Agricultural Resource Conservation Specialist GN

**DATE:** January 17, 2023

**SUBJECT:** 2023 Envirothon

The 2023 Washington County Envirothon will be held, Wednesday, April 26, 2023, at the Washington County Board of Education CTS, Downsville Pike, Hagerstown, MD.

Please complete the attached registration form and return it to our office by 4:30 p.m., Wednesday, March 15, 2023. Registration will again be \$25.00 per team. Please submit the registration forms by the deadline, even if your school has not yet made payment for registration. We will need the t-shirt sizes to place the order and receive them in time for the competition.

Please have your students sign the team member sign-up form along with their parents. After all, you may win, and you will want your best team available for the State competition. Each team should include 5 members and an alternate.

This year, the competition will be held on a regularly scheduled school day. This may help with recruiting team members. The WCSCD will be paying for one substitute per school/organization, so please talk with Mr. Christopher Kopco concerning the billing. You may, of course, bill the WCSCD directly if your school wishes to do so.

The resources for all 5 areas are available on-line at <http://mdenvirothon.org/>. The fifth issue this year is: **Adapting to a Changing Climate**.

We will again be providing lunch for your teams at the event. The competition will begin at 9:30 a.m. and end at 1:30 p.m. We recommend, if you or your students are not riding buses, you plan to arrive at 9:00 a.m.
