TO: Envirothon Coaches

FROM: Dee Price, CESSWI, CSI, District Manager
Ginger Noble, MDA Agricultural Resource Conservation Specialist

DATE: January 29, 2024

SUBJECT: 2024 Envirothon

The 2024 Washington County Envirothon will be held on Thursday, April 4, 2024, at the Washington County Board of Education CTS, Downsville Pike, Hagerstown, MD. Please complete the attached registration form and return it to our office by 4:30 p.m., Wednesday March 13, 2024.

Registration will again be \$25.00 per team. Please submit the registration forms by the deadline, even if your school has not cut the check for registration. We need the T-shirt sizes to get them ordered for the competition.

Please have your students sign the team member sign-up form along with their parents; after all, you may win and will want your best team available for the State competition. Each team should include five members and an alternate.

This year, the competition will be held on a regular school day. This may help with recruiting team members. The WCSCD will be paying for one substitute per school/organization; please speak with Mr. Christopher Kopco about how the billing will be handled. You can, of course, bill the WCSCD directly if that suits.

The resources for all five areas are available on-line at <http://mdenvirothon.org/>. The 5th Issue this year is: RENEWABLE ENERGY FOR A SUSTAINABLE FUTURE.

We will again be providing lunch for your teams at the event. The competition will begin at 9:30 a.m. and end at 1:30 p.m. We recommend students not riding buses, plan to arrive at 9:00 a.m.
